- Founded in 1968, Tayside opera is based in Dundee, drawing members and audiences from a wide area in east central Scotland.
- Rehearsals are normally held on Sunday evenings in Dundee West Church Hall (formerly Roseangle and Ryehill, opposite Duncan of Jordanstone College of Art) at 7.00 p.m. (with an optional warm-up at 6.45 p.m.) from early in the new Year, with a break roughly corresponding to the school summer holidays.
- The Musical Director and Chorus Master have responsibility for conducting rehearsals for concert and staged performances, and with the Orchestra Secretary to engage an orchestra for the main production.
- There are two accompanists who share the rehearsals.
- The policy of the company is wherever possible to cast productions from the membership, with the option of employing professionals where necessary.
- The Musical Director, Production Director, Chorus Master and the Accompanists are employees of Tayside Opera.
- A list of previous productions is overleaf.
